Bangalore, 26th February 1919.

ndaram Iyer,

I enclose a D.O. letter No.294 of the 24th instant received from the Registrar of Co-Operative Societies, asking whether I can send back Mr. Abdul Aziz Khan to his department.

As Mr. Ranga Rao seems to be greatly handicapped and as it would probably be to the advantage of Mr. Aziz Khan to complete his training in the department of Co-Operative Societies early, I shall have no objection to send Mr. Aziz Khan back; but, I would request Government to give me instead a competent and somewhat more senior assistant in his place.

Yours sincerely,

D. O. No. 294

OFFICE OF THE
REGISTRAR OF CO-OPERATIVE SOCIETIES
IN MYSORE.

Dated, Bangalore 24 Feb 19/9.

My dear Sir,

Could you kindly let me know whether it is possible for you to send back Mr. Abdul Aziz Khan to this Department. At the time he was posted as your Assistant, I understood that he would very probably come back in about three months. That period is over.

I would not have troubled you in this matter now but for the fact that

My work has suffered much suffering heavily. Some temporary arrangements have been sanctioned by Govt, but they have not improved matters a bit.

I thought that now that the offices of Food Controller and Director of Civil Supplies have been combined in you and you have another Assistant, you would perhaps have no objection to let me have Mr Abdul Aziz back. I should be greatly obliged to you if you could kindly do so.

Yours sincerely

R Ramsbotham

Dear Sir,

With reference to your D. O. No.20175 dat
8-3-19 requesting my views upon the transfer of Mr.
Rama Iyengar to the office of the Food Controller, I
have to state that the work of this office will seri
-ly suffer if Mr. Rama Iyengar is removed. The tra
fer of Mr. Jayaram is not of much advantage as this
-bationer is suffering from bad short sight and is
otherwise not competent to look after the duties now
discharged by Mr. Rama Iyengar. Mr. Rama Iyengar is
now in charge of the entire work relating to the Com-
mercial Museum and also the introduction of improved
weights and measures in the State. This involves co
stant correspondence with a number of firms, examina-
tion and catalogue of exhibits received for the Museu
and I beg that Mr. Rama Iyengar may not be disturbed.
